

Michigan Life Sciences Projects to Receive Funding

| Prop. No. | Applicant Institution | Subject | Principal Investigator | Phone Number | PI Location** | Category | Amount Awarded |
|-----------|---|---|------------------------|----------------|---------------|----------|----------------|
| 27 | Wayne State University School of Medicine | Michigan Diabetes Research Consortium | Granneman, James | (313) 577-5629 | Detroit | 1 | \$3,539,557 |
| 38 | The Regents of the University of Michigan | A genetic screen for mutations affecting central nervous system development and regeneration | Goldman, Daniel | (734) 936-2057 | Ann Arbor | 1 | \$1,019,688 |
| 179 | The Regents of the University of Michigan | Improving muscle power and mobility of elderly men and women | Carlson, Bruce | (734) 764-3493 | Ann Arbor | 1 | \$3,838,082 |
| 277 | Van Andel Research Institute | Developing strategies for imaging and treating metastatic prostate cancer | Vande Woude, George | (616) 234-5298 | Grand Rapids | 1 | \$1,549,382 |
| 233 | Osteomics, Inc. | Discovery of therapeutic targets for bone disease | Long, Michael | (734) 647-2897 | Ann Arbor | 2 | \$3,310,777 |
| 238 | University of Michigan Medical School | Proteomics Alliance for Cancer | Omenn, Gilbert | (734) 647-9351 | Ann Arbor | 2 | \$3,126,588 |
| 410 | University of Michigan Medical Center | Diagnosis of kidney disease in diabetes and hypertension | Kurnit, David | (734) 647-4747 | Ann Arbor | 2 | \$933,655 |
| 105 | ApoLife, Inc. | Novel system for the development and production of therapeutic antibodies | Motwani, Nalini | (313) 446-2625 | Detroit | 2 | \$900,000 |
| 270 | DNA Software, Inc. | Development of simulation-based computer software environment for designing DNA-based microarrays | Hicks, Donald | (734) 678-0462 | Ann Arbor | 2 | \$932,849 |
| 294 | Wayne State University | Drug delivery development | Auner, Gregory | (313) 577-3904 | Detroit | 2 | \$2,635,119 |
| 426 | Apjohn Group LLC | Early stage biopharmaceuticals accelerator fund | Sooch, Mina | (248) 681-9815 | Kalamazoo | 2 | \$1,450,012 |
| 77 | Biotechnology Business Consultants, LLC | Life science commercialization consulting services | Kurek, Lisa | (734) 930-9741 | Ann Arbor | 3 | \$1,365,318 |
| 76 | Biotechnology Business Consultants, LLC | Life science zero-stage fund | Katz-Pek, Marilyn | (734) 930-9741 | Ann Arbor | 3 | \$500,000 |
| 97 | TGap Ventures | Venture gap fund | Farner, Peter | (616) 217-1999 | Kalamazoo | 3 | \$1,300,000 |
| 303 | The Regents of The University of Michigan | Michigan universities commercialization initiative enrichment | Parnes, Marvin | (734) 936-3933 | Ann Arbor | 3 | \$959,706 |
| 245 | Michigan Biosciences Industry Association | Michigan life science human resource solution | Gensheimer, Jan | (734) 944-1065 | Ann Arbor | 3 | \$1,651,143 |
| 302 | Arboretum Ventures | Life sciences seed fund | Garfinkle, Jan | (734) 741-8620 | Ann Arbor | 3 | \$1,300,000 |
| - | Core Technologies Alliance | Continuation of funding of five Michigan university and research facility laboratories | Ulaby, Fawwaz | (734) 615-2243 | Ann Arbor | 1&2 | \$14,687,109 |

*Proposals for FY 2002 awards were accepted, reviewed and ranked in three groups:

Category 1 = Basic research grants in the life sciences

Category 2 = Applied research and development grants

Category 3 = Commercialization services and related activities

** Most proposals are collaborations and location reflects named principle investigator.
